

Statement of Health & Safety Policy

Power Data Associates Ltd will take all reasonable practicable precautions to safeguard the health, safety and welfare of employees, contractors and members of the general public who have access to or contact with premises or activities which are directly within the control of the organisation.

The Power Data Associates Ltd Health and Safety Policy is to:

- provide adequate control of the health and safety risks arising from work activities;
- consult with our employees on matters affecting health and safety;
- provide and maintain safe equipment;
- ensure safe handling and use of substances;
- provide information, instruction and supervision for employees and contractors;
- ensure all employees and contractors are competent to do their tasks, and ensure they have or receive adequate training;
- prevent accidents and cases of work-related ill health;
- maintain safe and healthy working conditions; and to
- review and revise this policy as necessary at regular intervals.

Tom Chevalier, Managing Director

Bridget Chevalier, Director & Company Secretary
